TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

NOTE:—Dealers' bills must be paid promptly within 10 days from receipt of purchases.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid $4.50 for the lot then bid $1.50 for each &c. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.

COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

The material offered in this sale is of particular interest and contains many rarities. A Higley 3 pence in exceptional condition, probably the finest known. An 1855 D mint gold dollar in exceptional condition. A Massachusetts and California $5 piece in copper in choice condition. The rare, copper coins of Portugese Africa and Goa. Various Carolina Bechtler $5 gold pieces. A Morman $2½ gold piece of excessive rarity also a $5 Morman. 1796 and 1797 ½ dollars. 1838 Liberty seated ½ dollar with flying eagle reverse, of extreme rarity. An 1811 cent in specially choice condition. An English Groat of Edward V of extreme rarity and many other worth while English silver coins. An exceptional lot of Foreign crowns, in fact this is without doubt the best general representation that I have ever offered.

My mailing list contains over 1000 active collectors. There will be distributed 1200 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application.

Send in your bids at once, do not wait. Bids are apt to arrive too late or be overlooked if sent at the last moment. Be sure to bid on the right lot and read the catalogue carefully when making your bids.

Be sure to bid on each lot at so much per piece and not for the lot if there is more than one piece in the lot or will be compelled to refuse all such bids sent. Be sure to put lot numbers down in rotation and take a copy of the bids that you send in. In my sales this causes many errors which of course the customer must hold himself accountable for.

Be sure to sign your order, do this before making out your bids as I get many unsigned orders. Write down the right number you intend to bid on and please remember that I am not to blame for your various errors and will have to hold you responsible for any such errors.

Also kindly remember that the coins I am selling are the property of others and I have to make an accounting to them.

Please send your bids in promptly on receipt and address all mail to Post Office Box 1765, Boston, Mass., to assure prompt delivery.

Thanking you for a liberal patronage of this sale and your immediate bids.

CONSIGNMENT A

A Consignment from Tariffville, Connecticut

450

261 Connecticut Higley or Granby 3 pence. Obv reading on legend I am good copper below date 1737 in center three crowned hammers. Rev a deer standing to left, a quarter moon above, with the figure III on edge to left a hand pointing to the commencement of the following reading around edge Value me as you please. Crosby Plate VIII Number 22. The copper used in this coin was mined in this section & all these pieces are rather crudely struck. This piece is in exceptional condition every particle of the entire piece is clearly readable and I think without doubt this is the best Higley copper ever offered. According to its rarity and condition which is very good indeed, though extremely Fine for piece it should readily bring near the $1000.00 mark. This is the gem piece of this sale. This coin has been in the possession of one family ever since its issuance having been handed down from generation to generation.
